ALLOWABLE SUBJECT MATTER

The Examiner states that Claims 28-36 are allowed. The Examiner further states that Claims 24, 25, 27, 40-42 and 44 are allowable to include all of the limitations of the base claim and any intervening claims. Accordingly, in the interest of expediting prosecution of the present application and without conceding the issue of patentability, Applicants have amended Claims 24, 25, 27, 40-42 and 44 to include the limitations of the base claim and any intervening claims. Claims 21, 23, 26, 37-39 and 45 ultimately depend from Claim 41 and are allowable for at least similar reasons.

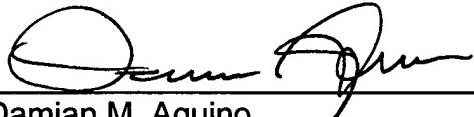

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.
